Road Safety 'live' issues

Aylburton Parish Council: March 2025 Full Council Meeting

Prepared and compiled by the Parish Clerk.

ANPR Camera Signs	<i>Contracter has been appointed, signs likely to be in place by February 2025.</i>
Zebra Now! Campaign	<i>Response to petition has been received and is available to view on our website. Next steps would be to look into funding a feasibility study. A road safety audit had also taken place in this location and Cllr MT has/will request a copy of this.</i>
Sandford Road/A48 Safety Measures	<i>No updates.</i>
TRO – speed limit reduction	<i>Scheme aims to reduce speed limits within the village; High Street to 20 MPH, up to Sandford Rd to 40 MPH. Westbury PC very interested.</i>
ANPR Camera (west side)	<i>No updates.</i>
ANPR Camera (east side)	<i>The clerk notes it is not capturing data currently, likely due to the lack of sun over the winter months but it may also require cleaning.</i>
Any other updates	<i>None.</i>
